

## HIGH-SPEED TRAIN COMMUNITY OPEN HOUSES

Please join the California High-Speed Rail Authority (CHSRA) for open houses on October 27 and 28 in Rosemead and Alhambra, respectively. The Authority will also be presenting a project update to the San Gabriel City Council on October 19. These meetings will provide an opportunity to learn more about the High-Speed Train program, and specifically, the I-10 Freeway corridor alternative as part of the Los Angeles to San Diego via the Inland Empire Section. These open house meetings will provide an opportunity for residents and stakeholders to speak directly with members of the project team, ask questions and provide feedback. Please plan on joining us at any of these three events.
